

TB Screening for UK Visa Applicants in Mozambique

All UK visa applicants (including children and infants) will need to obtain an IOM Medical Certificate confirming that they are free from infectious Tuberculosis (TB) if they are applying for a visa for UK for a period longer than six months. The following will **NOT** be required to obtain such certificate: diplomatic passport holders traveling on official business or on a posting to the UK, those who qualify for exempt visa, those applying for a certificate of entitlement and returning residents.

To obtain an IOM Medical Certificate confirming that the traveler is free from infectious Tuberculosis (TB), please follow these steps:

1. Register your application at this link: <http://register-uktb.iom.int/uktbdp-register/login.jsp>

Contact the International Organization for Migration (IOM) in Maputo Tel: **+258 21 489 947 /84 7871606** to book a medical examination.

2. Medical examination appointments are only on **Monday & Wednesday from 8h00 to 13h00:**

International Organizations For Migration, Rua Joseph Ki-Zerbo, 139, Maputo, Mozambique

Please make sure you come with 1) passport copy, 2) 2 ID photos, 3) payment receipt

3. IOM will then arrange for you an appointment for chest x-ray to be carried out AT CLINICA DE DIAGNOSTICO E IMAGEM, AV. BASE NTCHINGA 535, COOP – MAPUTO.

Please do not report directly to the Medical Clinic, examinations must be scheduled through IOM Office.

4. **IOM Certificate will be available for collection 48 hours after the chest x-ray is taken at the IOM Office during working hours Monday to Friday.**
