**CONTEXT:**

The International Organization for Migration (IOM), the UN Migration Agency is a dynamic and growing inter-governmental organization, with 174 member states. IOM is committed to the principle that “humane and orderly migration benefits migrants and society”. Established in 1951 and now active in over 440 field locations worldwide, IOM works with partners,

government, and civil society to promote international cooperation to address operational challenges of migration and mobility, assist in the search for practical solutions to migration problems, and to provide humanitarian assistance to migrants in need, including refugees and internally displaced people. IOM addresses the migratory phenomenon from an integral and holistic perspective, including links to development, to maximize its benefits and minimize its negative effects.

Under the overall supervision of the Programme Manager (MHPSS/Protection), in close coordination with Head of Sub Office and the direct supervision of the Programme Officer (MHPSS/Protection), the successful candidate will contribute to the implementation of IOM Mozambique's projects in the area of Protection and MHPSS in Emergencies with a focus on the response to cyclone Kenneth.
