UK TB INFORMATION SHEET

TB Screening for UK Visa Applicants in Mozambique

All UK visa applicants (including children and infants) will need to obtain an IOM Medical Certificate confirming that they are free from infectious Tuberculosis (TB) if they are applying for a visa for UK for a period longer than six months.

The following will **NOT** be required to obtain such certificate: diplomatic passport holders traveling on official business or on a posting to the UK, those who qualify for exempt visa, those applying for a certificate of entitlement and returning residents.

To obtain an IOM Medical Certificate confirming that the traveler is free from infectious Tuberculosis (TB), please follow these steps:

1. Register your application at this link: <http://register-uktb.iom.int/uktbdp-register/login.jsp>
2. Contact the International Organization for Migration (IOM) in Maputo Monday – Thursday from 8h00 to 13h00 to book a medical examination:
