

Organização Internacional para as Migrações (OIM)  
Agência das Nações Unidas para as Migrações

## **Consulting services for evaluation of the occupational health project**

### **Context**

Established in 1951, IOM is the leading intergovernmental organization in the field of migration and works closely with governmental, intergovernmental and non-governmental partners.

With 174 member states, a further 8 states holding observer status and offices in over 100 countries, IOM is dedicated to promoting humane and orderly migration for the benefit of all. It does so by providing services and advice to governments and migrants.

In this context IOM Mozambique through its health component is recruiting consultancy services for a three-month evaluation of the occupational health project (February to April this year) involving the design of tools, data collection, analysis and production of the final evaluation report.

### **Required qualification and experience**

This evaluation will be conducted by an Evaluator, who will assume overall responsibility for the deliverables, in close coordination with the evaluation manager. The Evaluator will need to fulfil the following requirements:

- Demonstrated experience in project and programme evaluation
- Previous experience in conducting evaluations of community-based interventions preferably in the field of Occupational health, TB or HIV desirable
- Solid experience in using quantitative and qualitative methodologies
- Capacity to produce clear and concise analytic reports drawing from complex data
- Excellent written and spoken English and Portuguese
- Ability and commitment to deliver the expected results within the set time frame
- Preferably, knowledge of the health sector in Mozambique, and of the social context in Mozambique and particularly the southern region of the country (Maputo, Gaza and Inhambane provinces)
- Experience in engaging with migrants, mine workers and/or vulnerable populations in evaluation processes.

### **Submission Of Application**

The application is open to individual and institutional applicants. Applicants should submit electronically the following in their expression of interest:

- 1) Information on your company profile including:

- Company/individual profile and technical capacity;
- Records of past similar experience and work undertaken in Mozambique or in the region; including two examples of previous relevant work completed (or links to reports available online)
- Company/individual registration certificate with a recognized government authority

2) Technical & Financial proposal comprising:

- Cover page expression of interest
- A two-page technical proposal outlining your approach to the scope of work including proposed methodology and time-line
- Composition and qualifications of the Evaluator team, including specific role of each member, and CV of team leader
- Itemized budget (1 page) organized around key items: personnel/fees, data collection costs, data entry, travel costs, supplies and materials, other (please specify)

**Interested parties should submit applications in English to:**

- [RFPMOZ@IOM.INT](mailto:RFPMOZ@IOM.INT)
- By 9<sup>th</sup> February 2022
- With subject: 'PROPOSAL– EVALUATION OF OCCUPATIONAL HEALTH PROJECT'

IOM reserves the right to accept or reject any proposal and to annul the selection process and reject all proposals at any time prior to contract award, without thereby incurring any liability to affected applicants.
